## 2) Being There

- **Arrival** Key is in Lockbox on front door. Once your rental amount is received, you will get a password for the Lockbox code.  
Water main is in 2nd bedroom closet. If water is off, open water main lever slowly - lever in line with pipe is ON.  
Check circuit breaker box near front door - make sure they are all on - or you may not have hot water later.  
AC - To use it, turn Humidistat (on the right) to ON, pick your temp on the T-Stat (left).  
Vertical Shades - to open or close, **please move them slowly and deliberately** - they jump the track easily.  
Use anything you like.
- **Pool** Pool is across the parking lot.
- **Beach** Off-season: Drive to the BONITA BAY private Beach Club.  
Leave BONITA BAY, turn right on #41 and go 2 stoplights to Bonita Beach Road, go right.  
Road turns into Hickory Blvd at the ocean, keep going to Public Access #4 (about a mile).  
Right next to #4 is BONITA BAY PRIVATE BEACH CLUB. Park and give your name to the attendant.  
They will set you up with umbrella and beach chairs.
